Old Business:

- Tyler will be transitioning to the state as the new Regional Prevention Coordinator for Region 10. This will leave the Vice President seat open. Any one interested in being VP please let Rachel know.
- End of the fiscal year is March 30. There is still funding left, particularly in the Law Enforcement category. Please reach out to Rachel if you have thoughts.

New Business:

- New CCP is due on April 1. Rachel will send out the 2021 plan for review. Please submit feedback regarding updates.

Committee Reports:

- **Prevention/Education Team-** Lisa Crane shared updated information about the Equity Works project. The identified neighborhoods are: Taylorsville, Candlelight, Lincoln Central, Garden City
- **Treatment/Intervention Team** – Nothing new to report. The treatment team is hoping to meet again soon.

- **Law Enforcement/Justice Team** – SRO's reported the vapes continue to be a problem in the schools. Many now vaping THC. Also able to buy the Delta 8 which is legal to buy like CBD. Kids are admitting this is what they are smoking.
- **Recovery Team**- Continue to work on getting support meetings put on community calendars. This has been a slow process, but feel they are starting to make headway.

Community Sharing: Heather Carson shared an update on HB1134 regarding the language discussing active parent consent and also SB17 with 3rd party curriculum language. SB 382 was also discussed and the concern of lowering e-cigarette taxes.
